In re Application of  
Lucy G. Hosking et al.  
Application No. 10/616,362  
Filed: July 8, 2003  
Attorney Docket No. 9775-0157-999

This is a decision on the petition under 37 CFR 1.182, filed July 27, 2004, to change the name of the first named inventor. This decision will also address the petition filed under 37 CFR 1.182 filed June 8, 2004.

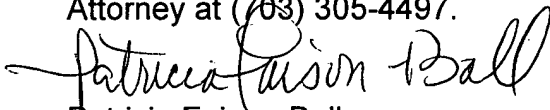

The petition filed July 27, 2004 is **GRANTED**.  
The petition filed June 8, 2004 is **DISMISSED**.

Pursuant to a court order dated January 6, 2004, changing the first named inventor's name, the name of the first inventor will be changed in USPTO records from "STEPHEN G. HOSKING" to -- **LUCY G. HOSKING** --.

The file is being forwarded to the Office of Initial Patent Examination, Customer Corrections to change Office records to reflect the change of the first inventor's name as noted above, and then to Technology Center 2633 for examination in due course.

It is understood that Workman Nydegger also handles IP work for the assignee FINISAR Corporation, but since Workman Nydegger is not the attorneys of record, the petition filed by them on June 8, 2004 will not be addressed. It is incumbent upon the attorneys of record or the assignee to insure that petitions and other official communications with the USPTO filed are by those authorized to do so and that dual correspondences will not be permitted.

Telephone inquiries concerning this matter should be directed to the undersigned Petitions Attorney at (703) 305-4497.
